CURRICULUM VITAE

Name: Shchigolev Vladimir.

Date and place of birth: September 26, 1976, Kursk, Russia.

E-mail: shchigolev_vladimir@yahoo.com

mobile phone: +79055491353

Education:

1999	Lomonosov Moscow State University, M.Sc. in Mathematics;
2002	Lomonosov Moscow State University, Ph.D. in Mathematics.

Research area: algebraic groups, Lie algebras, their representations.

Current position: postdoc at Lomonosov Moscow State University.

Conferences:

2000	Formal Power Series and Algebraic Combinatorics, Moscow, Russia.
2004	Algebraic Conference dedicated to the 250th anniversary of Moscow State University, Moscow, Russia.
2005	The fifth International Algebraic Conference in Ukraine, Odessa, Ukraine;
2005	Algebraic Conference, Ekaterinburg, Russia.
2007	Algebraic and Geometric Lie Theory, Aarhus, Denmark.
2007	Conference dedicated to the 100th anniversary of D.K.Faddeev, St.Petersburg, Russia.
2007	Transformation Groups, Moscow, Russia.
2008	Winter Master Class on Enveloping Algebras and Related Topics, Rehovot, Israel.
2008	The Representation Dimension of Artin Algebras, Bielefeld, Germany.
2008	Algebraic conference on the occasion of the 100th anniversary of A. G. Kurosh, Moscow, Russia.
2008	The tenth Belorussian mathematical conference, Minsk, Belarus.

Scientific visits:

2005, 2006, 2008	Institute of Mathematics, National Academy of Science of Belarus, Minsk, Belarus.
2007	University of Oregon, Eugene, USA.
2008	Bar-Ilan University, Ramat Gan, Israel.

Reviewer: Mathematical Reviews.
